

Seeking a Passionate and Dedicated Assistant Basketball Coach

Lakeview Christian Academy is looking to hire an Assistant Basketball Coach to add to our dedicated team. We are looking to hire a committed Christian who is passionate about helping transform our basketball program into one where students thrive both on and off the basketball court. The Assistant Basketball Coach would work under the guidance of our Head Basketball Coach and Athletic Director.

Essential Job Functions for Assistant Coach

- Act with biblical integrity.
- Plan, organize and teach the fundamentals, strategies, rules and proper conditioning for basketball.
- Provide an atmosphere conducive to good sportsmanship.
- Ensure that adequate supervision is provided for all students involved in the sport.
- Instruct sports participants in safety procedures and the need to report injuries to the coach immediately; implement procedures for handling injury situations; contact emergency personnel when necessary..
- Instruct and work with athletes to assist them with perfecting their abilities and providing them guidance in keeping fit for competition and teaching them how to react under the pressure of competitive play.
- Prepare the team or individual athlete for competition by working out plays and strategies that suit the strengths of the team/individual.
- Provide for the safety of student sports participants by inspecting and preparing equipment and facilities and by being aware of weather conditions and spectator reactions.
- Issue, collect and maintain inventory of uniforms and sports equipment as required.
- Ensure that players are academically eligible to participate in school sponsored sports.
- Comply with the rules and regulations of Lakeview Christian Academy and the Minnesota State High School League.
- Comply with all Minnesota High School League mandates and requests.
- Communicate to all students the policies of the team, school and school district relating to school sponsored sports activities.
- Complete reports and forms as required (e.g., team rosters, performance records).
- Participate in athletic awards programs as required by school or district.
- Perform other related duties as assigned.

Qualifications

- A passion to not only interact with students but guide them in the development of their own faith
- Must be at least 18 years old (required)
- Excels at taking independent initiative while fostering teamwork and collaboration within the organization.
- Impeccable integrity in handling confidential and/or sensitive information and situations.
- Knowledge of the assigned sport.

- Physically able to carry out the coaching duties of the assigned sport.
- Knowledge of physical fitness and sports safety.
- Strong communication skills.
- Strong supervisory skills.
- Ability to motivate others.
- Previous coaching experience.
- State coaching certification.
- CPR certification.
